Sandcastle

Written by Pierre Oscar Levy
Illustrated by Frederik Peeters

“None of us can leave.”

It’s a perfect beach day—and the ideal destination for an assortment of people, including a family, a young couple, and a group of tourists. They all head for the same secluded, idyllic cove filled with rock pools and sandy shore, encircled by green, densely vegetated cliffs.

But this utopia hides a dark secret.

When a woman’s dead body is found floating in the crystal-clear water, the thirteen strangers band together to unravel the mystery of the cove . . . and soon find that they must concentrate on how to get out alive themselves!

The dramatic storytelling and masterful art of *Sandcastle* (SelfMadeHero; May 2013; U.S. \$19.95; ISBN: 978-1-906838-38-6) work seamlessly to create a profoundly disturbing and fantastical mystery. *Sandcastle* unflinchingly explores issues of age, family, and mortality in a story that will captivate and horrify readers.
